

**Request for
Statements of Qualifications
June 5, 2024**

The Angelina & Neches River Authority (ANRA) is soliciting Statements of Qualifications (SOQ) for engineering services for design of water system improvements for its Central Heights Utilities.

Engineering services include the following:

- Design detail for preliminary engineering reports;
- Engineer's Opinion of Probable Costs;
- Environmental and cultural resource assessments;
- Development of standard details and specifications for construction;
- Preparation of bid packet and contract documents;
- Field testing and inspections; and
- Other related tasks as may be required.

Statement of Qualifications shall include:

- Front cover and Section dividers
- Cover letter
- Detailed outline of the firms qualifications and competencies
- Organization Chart(s)
- Resumes of individuals anticipated to provide work
- Conflict of Interest Statement

SOQ's **shall only be submitted electronically in PDF format**, via email at solicitations@anra.org or via USB thumb drive mailed to 2901 N. John Redditt Drive, Lufkin Texas 75904.

All SOQ submission must be received at ANRA's Central Office no later than 12:00 noon on June 21, 2024.

For more information, please contact Mr. Kelley Holcomb by phone at 936-632-7795 or by email at kholcomb@anra.org.
